ASPH Update

January 2025

Welcome to the latest update about Ashford and St Peter's Hospitals NHS Foundation Trust.

A busy winter for ASPH

The Trust is experiencing another busy winter and staff are working hard to make sure that patients receive the care they need. To help the Trust during this time, we have been asking people **to choose the right care this winter.** Choosing the right service helps reduce pressure on our emergency services and enables them to help those who need it most. It also means you can get the care you need as soon as possible. **Read more**.

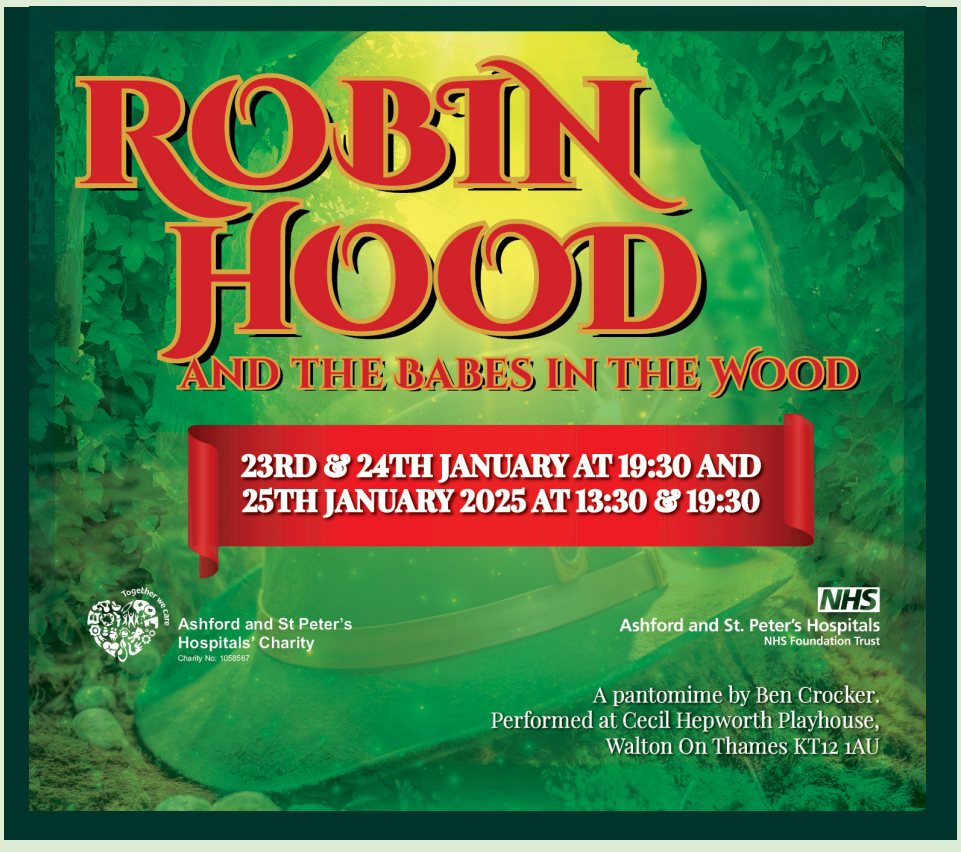

A big thank you for the Christmas donations

This Christmas, we were overwhelmed by the volume of donations received. Donations included gifts, hampers, heartfelt letters and cards and plenty of festive treats. The contributions from individuals, local businesses, and community groups reminds us how grateful the community are for the work we do every day, and brought smiles to patients, comfort to families, and lifted the spirits of staff working during the festive period.

ASPH Glee Club presents Robin Hood and Babes in the Woods!

You can support our Charity Staff Wellbeing Fund by attending a theatre production organised by and starring ASPH staff. Robin Hood and the Babes in the Woods is a classic tale of derring-do, so come along to boo, hiss and cheer as the evil Sheriff gets his just desserts. Performances will take place on 23 and 24 January at 7.30pm and 25 January at 1.30pm and 7.30pm at Cecil Hepworth Playhouse, Walton On Thames, KT12 1AU. **Buy tickets here**.

John Machin appointed as Acting Chair

We are delighted to announce the appointment of John Machin as Acting Chair. John, who was previously the Deputy Chair, took on the new role from Monday 6 January after the departure of our previous Chair, Caroline Warner. **Read more**.
