

# Dennis Hammond's

## SKYRIDE CHALLENGE FOR PAEDIATRIC ONCOLOGY

Dennis Hammond will be raising money for St. Peter's Hospital's Paediatric Oncology Ward. He will do the fastest Skyride in the world in North Wales. All funds raised will go to this amazing department and support our beautiful sick children.

**My story:** is that I was diagnosed with terminal Stage 4 metastatic prostate cancer on 5th May 2022 and my world was turned upside-down.

Sadly, it has spread into the top, middle and bottom of my spine, and into both sides of my pelvis and I have a tumour in my bladder.

This has made me determined to help others and raise money for the Children's Oncology Services at St Peters.

Scan the QR code with your phone to take you to our donation page on our website. You can also send us a cheque to ASPH Charity, St Peter's Hospital, Guildford Road, Chertsey, Surrey KT16 0PZ
